

Remembering the Fallen

Did You Know ...

In July 2009, Jeff Maldonado, a Perspectives Joslin student, was killed senselessly by violence.

Since Jeff's death, 258 Chicago youth under age 19 have been murdered.

We can use art to shout our message that killings must end.

JOIN THE PERSPECTIVES ON PEACE MOVEMENT!

Local artist, Ramona Lindsey, is helping us create a tribute to the fallen using our old gym shoes. Each shoe will symbolize one of the Fallen since Jeff's death.

During ADL we will work together to make a tribute that our city can't ignore.

We need nearly 300 shoes to remember **ALL** the Fallen.

Do Your Part!

Drop your old gym shoes on April 9th - 11th in the collection box.

Don't let a single child be forgotten.
